Using Gift Aid means that for every pound you give, we get an extra 28 pence from the Inland Revenue, helping your donation go further.

This means that £100 can be turned into £128, just so long as donations are made through **Gift Aid**. Imagine what a difference that could make, and it doesn't cost you a thing.

*To qualify for Gift Aid, what you pay in income tax or capital gains tax must at least equal the amount we will claim in the tax year.*
