

Mountain Huts Available to Members

The list was last updated on the date printed at the bottom of the page. It provides details of huts maintained by mountaineering and climbing clubs who are members of the BMC/MCofS. Some of these Clubs are willing, if there is room, to make their huts available to other BMC members. Besides the huts in Scotland listed here, information about other huts owned by Scottish clubs, including contact details, are given in the Mountaineering Council of Scotland's huts list.

<http://www.mcofs.org.uk>

Details of independent hostels in England, Wales and Scotland can be obtained from the Backpackers Press, www.independenthostelsuk.co.uk

Corrections to Lists

Hut Booking Secretaries should notify the BMC of any alterations or additions as they occur.

Hut Equipment

Unless otherwise stated huts are available for both men and women and equipped with beds or bunks. If details are not given in the list it is advisable to check with the Hut Booking Secretary regarding fuel, blankets and cooking facilities. Members should take their own food and a sleeping bag.

Booking

Members wishing to make use of these facilities should approach the Hut Booking Secretary in good time. Some clubs insist that hut bookings should be made by the Main Club Contact of the club wishing to use the hut; if possible the Main Club Contact should make the request in writing.

Fair Treatment of Huts

Members who stay at these huts do so by courtesy of the club concerned and are under an obligation to keep the hut clean and tidy. Failure to do this would bring the list and the entire arrangement into disrepute. In particular, visitors should adhere to the rules exhibited in the hut, or otherwise made known to them, and the methods of payment prescribed.

Using the Hut

If there is any difficulty in contacting the Hut Booking Secretary at the address given on the list, the best course of action would be to contact the Club's Main Contact (see www.thebmc.co.uk/map).

Hut List

The hut consists of a converted two-storey barn and a nearby cottage, the two linked by a single storey kitchen. The barn (which is entered first) has a large cosy common room heated by a huge solid fuel stove. Upstairs there are bunks for about 20 people, two showers, two toilets and washbowls. Care should be taken using the upper bunks (up to three layers). The kitchen is large and well appointed with professional-standard stainless steel worktops, storage for food, three large fridges (with ice boxes), microwave, two stoves, automatic washing machine, kettles, toasters, crockery, pans (including a few very large for parties), and cutlery. In the cottage are found a drying room with electric heater and dehumidifier; women's shower and toilet; additional unisex shower and toilet. Upstairs are two cosy dormitories and the private LC&CC members' room. Heating for the dormitories and washrooms is by night storage heaters which are on continuously in winter. Fire security is good, with a modern sophisticated warning system with emergency lighting and ground level fire exits from the upstairs dormitories. Behind the hut is a lean-to (former coal shed) which could be used for up to about 3/4 bikes and it is lockable (and locked). Key can be made available on request

Parties only. £7.00 per person per night (BMC Members and affiliated clubs). Sorry no pets allowed. No vehicular access - approx. 1km. walk from car park to hut . (members fee £4). Availability can be checked online at www.lancashirecavingandclimbingclub.co.uk

Please note that the hut contains a small members room, for exclusive use by LC&CC members at any time. This means that the hut is not 100% guaranteed for exclusive use.
