**Equipment:** You will need more equipment than you would require for a normal weekend trip. In addition to a pair of walking boots, you will need a rucksack large enough to carry all of your kit (including tent, sleeping bag etc.) In addition you will need a tent, sleeping bag, a camping stove and full waterproofs (these can be borrowed from the club on request) n.b. we DO NOT have any large rucksacks that you can borrow.

**Food:** Unlike normal weekend trips, food IS NOT provided within the cost of the trip. You should bring money for two pub meals, as well as food for all of your meals (dinner would be cooked, and breakfast/lunch will likely be sandwiches etc. although you are welcome to cook yourself breakfast if you want).

**The trip:** The exact route that we will take is yet to be confirmed, but the outline is driving up on Friday afternoon, before walking to our first camping spot near Skeggles water (see picture below). Staying high, Saturday will then take us along mountains such as Kentmere Pike and Harter Fell (an extension to High Street, a major Lake District peak, is possible), before camping near Small Water (see picture above). Sunday should involve looping back to the other side of the tranquil, less-visited Longsleddale, with splendid views (weather permitting) taking in Sleddale Fell and more, before return to Oxford.

**Membership:** As with all OUWC trips, you must become a member of the club to be allocated a place. We are only able to offer refunds on trips if we are able to fill the vacated place. There is a balloting procedure for oversubscribed trips
