Equipment: You will need a worn in pair of walking boots and a comfy rucksack. You should come prepared for all weather conditions. You will need full waterproofs and a sleeping bag (these can be borrowed from the club on request).

Food: Bring enough money for two pub meals. All other food is included in the trip.

The trip: We will be staying in the Ceunant, near to Llanberis. We are within driving distance of most of north Snowdonia, in particular the less visited peaks around Beddgelert.

We will have various walks for different abilities both days, which will be decided on the weekend, led by the Club's experienced leaders.

About Snowdonia: Home to the highest mountains in England and Wales, Snowdonia is a popular destination for hikers of all abilities. Whilst Snowdon itself can get overcrowded there are many stunning peaks that can be visited in almost complete isolation. The geology of Snowdonia is also of great interest to those with an interest in the subject.

Membership: As with all OUWC trips, you must become a member of the club to be allocated a place. We are only able to offer refunds on trips if we are able to fill the vacated place. There is a balloting procedure for oversubscribed trips.
